Levels	
Level 1	This is our youngest group, generally involving children who are new to the water. Our biggest goal for level 1 is learning water safety. Level 1 swimmers will learn how to enter and exit the water safely, float on their stomach and back, as well as hold their breath and kick.
Level 2	swimmers will learn how to tread water, coordinate their arms and legs in order to attempt freestyle and backstroke, jump into the water and be able to swim back to the wall on their own.
Level 3	swimmers will master freestyle and backstroke and attempt breaststroke, butterfly, and dives
Level 4	swimmers will be able to perform all four strokes (freestyle, backstroke, breaststroke, and butterfly) as well as performing a proper dive.
